

Field Trip Planning Guide

To make your reservation, please contact Diane Bell or Ashley Joyner : by phone at (850) 453-2025 on weekdays between 8 a.m. and 4:30 p.m. You may also email inquiries to namfimax@navalaviationmuseum.org.

A school group must have a minimum of 15 people to qualify for school group discounts. One adult chaperone is required for every 10 students. Chaperones can be teachers or parents.

Activities

Your group can choose from any of the currently showing IMAX® films. Please arrive at least 30 minutes before showtime. We will not delay any show for any reason. No one will be seated once the show has begun. If your group is late for its showtime, we will make every effort to reschedule you.

There are several exciting Motion-Based Simulator rides to choose from. Each ride lasts about five minutes and seats are available on a first come, first served basis.

Lunches

Prior to arrival, teachers and chaperones should collect all lunches at the school site. Place all lunches in boxes or coolers, to provide for easier transport upon arrival. Lunches have to remain on buses. No food or drink is allowed inside the Museum.

When weather permits, please feel free to eat outside across from the Cubi Bar Café. Tables are available on a first-come, first-served basis. Please clean up after your group and place all trash in designated trash containers.

Educational Materials

Most IMAX® Teacher Guides are developed in cooperation with national teachers associations, award-winning teachers, universities and scientific foundations. The comprehensive content can be easily adapted to your curriculum and includes discussion topics, exercises and hands-on group projects. Please visit our Teachers Resources page and download appropriate IMAX® educational materials for the movie your group will watch.

Costs/Payment

Admission to the Museum is free. The school group rate for IMAX® movies is \$5.00 per person per movie (one adult chaperon per group of 10 children is free). The cost for each Motion-Based Simulator ride is \$2.50 per student. Flight Line tours are free but space is limited. Reservations must be made for your group to take this bus tour.

Payment for the entire group must be made with a single check, credit card (Visa or MasterCard) or cash. We cannot accept purchase orders or vouchers. Make checks payable to Foundation Museum Support Company (FMSC). Due to last minute changes in group sizes, pre-payments are discouraged.

Group Visit Policies

- Buses should enter at the west gate of Naval Air Station Pensacola. Adults/drivers must have a photo ID for security.
- Buses should load and unload passengers at sidewalk area and park in the designated bus parking area.
- Upon arrival, an IMAX® staff member will meet you.
- Youth must be supervised at all times by an adult chaperone.
- One adult per 10 students is required. We recommend assigning each group of 10 students to a single adult for the entire visit.
- Please keep sound volume of your group to a minimum as there are often other tours and official ceremonies taking place in the Museum.
- No running.
- No backpacks, food, gum, candy or drinks are allowed in the Museum.
- Lunch must be eaten in the outdoor eating facilities.
- School groups should be ready to enter the IMAX® Theatre 20 minutes prior to show time.
- One adult chaperone required for up to 14 students per Simulator ride.
- Only one youth group is allowed in the Flight Deck Store at a time.
- The elevators are for those who need them. Please use the stairs and do not let children play in the elevators.
